GENERAL MANDATE

The Placing is not subject to the Shareholders' approval as the Placing Shares will be issued under the General Mandate, which was granted to the Directors pursuant to an ordinary resolution passed by the Shareholders at the annual general meeting of the Company held on 17 August 2021. Pursuant to the General Mandate, the Company was authorized to issue and allot up to 1,522,338,000 Shares, representing 20% of the number of Shares in issue on the date of passing such resolution. The General Mandate has not been previously utilized prior to the issue of the Placing Shares. Accordingly, the issue of the Placing Shares is not subject to any Shareholders' approval.

REASONS FOR THE PLACING AND USE OF PROCEEDS

The Company is the holding company of the Group. Its subsidiaries are principally engaged in the property development, property investment and production and sales of bottled water in the People's Republic of China.

As disclosed in the Company's announcement of annual results for the year ended 31 March 2022 dated 29 June 2022 ("**Annual Results Announcement**"), the Group recorded the revenue of approximately HK\$21,200,000, representing a decrease of approximately 35.60% comparing to the revenue for the year ended 31 March 2021. Also, the Group recorded loss for the year of HK\$343,471,000. As set out in the Annual Results Announcement, the Group continuously faced the risks of the uncertainties (i) in the impact of the property market due to the debt crisis of some of the property developers in the PRC; and (ii) the outbreak of the coronavirus disease 2019 ("**COVID-19**") pandemic, which continuously affected the water business, property development and investment businesses in the PRC. It is uncertain for the time being as to when the business performance of the Group would be completely resumed.

In view of the foregoing reasons and taking into account the possible funding need of the Group, the financial position of the Group as well as the unutilised General Mandate granted to the Board to allot, issue and otherwise deal with up to 1,522,338,000 Shares which would provide the Group with flexibility and ability to capture appropriate capital raising in a timely manner, the Directors intend to utilise up to 1,000,000,000 Shares under the General Mandate to conduct a fund raising exercise by way of the Placing. The Board considers that it is desirable for the Group to enter into the Placing with the view to strengthening the Group's financial position and seeking investment opportunities from time to time with a view to diversify and enhance its asset portfolio, broaden its sources of income and accelerate further growth of the Group as a whole.

The terms of the Placing Agreement (including the Placing Price and the placing commission) were determined after arm's length negotiations between the Company and the Placing Agent. The Directors (including the independent non-executive Directors) consider that the terms of the Placing Agreement (including the Placing Price and the placing commission) are on normal commercial terms, fair and reasonable and in the interests of the Company and the Shareholders as a whole.

Assuming the Placing Shares are fully placed, the gross and net proceeds from the Placing will be approximately HK\$30 million and HK\$29.51 million, respectively. The Company intends to use such net proceeds for replenishing the working capital of the Group and potential investment. Assuming the Placing Shares are fully placed, the net placing price will be approximately HK\$0.0295 per Placing Share.
